13.8%	SIT-DOWN RESTAURANT	REST	Weighted Average: 13.5%

Floor Area Ratios are used as a measure of the intensity of the site being developed. It represents the mathematical formula of dividing the building area (measured in square feet) by the 43,560 (the number of square feet in an acre) to generate a ratio (expressed as a percentage) of building space: land area.

YEAR	TOTAL SQ. FT.	SQ. FT. BY LAND USE CATEGORIES				
		Public	Office	Restaurant	Commercial	Industrial
1986	177,824	0	20,450	3,145	34,728	119,501

DEFINITIONS OF TERMS AND ABBREVIATIONS:

ABSORPTION - Measured as the amount of new construction added to the City of Santa Maria over a period of time.

add - an asterisk indicates the construction was an addition to an existing structure.

AG/COM - Agricultural related commercial use.

AG/IND - Agricultural related industrial use.

AG/IND/WH - Agricultural related industrial use with a large warehousing space.

BLDGSITE - Building site. No Planning permits were required.

COM - Commercial.

Commercial - Adds the Commercial, Retail, and SMTC space built during the year.

FAR - Floor Area Ratio. It is an indication of the development intensity occurring on the site.

FAST FOOD - A fast food restaurant, often with a drive-up window.

GENOFF - General office building.

IND - Industrial.

Industrial - Adds all Industrial, Warehouse, and related spaces built during the year.

IND/WARE - Industrial and warehousing uses.

MEDOFF - Medical office building.

MTIND - Multi-tenant industrial building(s).

MTIND/COM - Multi-tenant industrial building(s) with more than incidental commercial uses.

N/A - The FAR calculation is not available because the existing building is not included in the calculation.

NSEW - Street direction using the intersection of Main and Broadway as the x-y axis.

Office - Adds the General Office and Medical Office space built during the year.

Public - Adds the Public and Recreation space built during the year.

PUBLIC - Government buildings, churches, schools, hospitals, and similar uses.

REC - Recreational use associated with a building.

REST - Restaurants, excluding fast food and drive-up services.

Restaurant - Adds the Fast Food and Restaurant space built during the year.

RETAIL - Retail uses.

SMTC - Santa Maria Town Center (redevelopment area)

WARE - Warehouses and mini-storage facilities.

WARE/COM - Warehousing building with more than incidental commercial use.

Year - the year the construction was completed.
